

EMORY HEALTHCARE VETERANS PROGRAM MH CARE DURING COVID-19 PANDEMIC

- Already bring people from across US and Assess with confirmation onsite
- Already working on virtual IOP model to address access
- Solutions
 - Virtual care
 - Virtual IOP
 - Same program but all services provided via telehealth
 - Sleep study and acupuncture most difficult
 - Currently expanding through licensed teams in specific states
 - Hybrid IOP
 - Way to lower contact even as we move back to face to face care
- Barrier Busters
 - Practice across state lines through permanent legislation and policy
 - PsyPACT for psychologists
 - FL model- telehealth across professions with easy process
 - When planning we thought Wifi but is not often an issue
 - Work from hotel with good Wifi
 - Hot spots NOT usually useful and pricey
 - Some patients not willing to do virtual care
